MUSIC MOUNTAIN  
 FALLS VILLAGE, CONN.

Music Mountain. . .there's magic in the very name. In a tree-shaded, garden-fringed setting on the mountain top in Falls Village, Connecticut, chamber music magic has been spun now each weekend for thirty-five summers.

The critic-acclaimed Berkshire Quartet, assisted by distinguished guest artists, will again present concerts this summer, Saturday afternoons at three. The picturesque music shed is an ideally intimate setting for chamber music. Excellence of the music and the delightful view from Stockbridge well worthwhile.
